

TCNJ Computer Science (CS) BS Degree 32.5 Course Units (130 Credits) AY 2019-20

Name:		Circle One: First Year / Transfer / Re-Entry / Re-Admit	
TCNJ ID:	TCNJ Entry:	Major Entry:	
2nd Major:	1st Minor:	2nd Minor:	
Earned Units:	GPA:	Major GPA:	

Liberal Learning Breadth Requirements NOTE: Courses in italics are also listed as major or correlate courses.	Major Program Requirements NOTE: Courses in italics are also listed as liberal learning courses. 13 Computer Science, 3 Math/Stat and 2 science courses.	Civic Responsibilities, Proficiencies and Electives																																																														
Indicate Option Met: <input type="checkbox"/> Designated Interdisciplinary Concentration (A) (Attachment) <input type="checkbox"/> Second Major (A): See Attachment <input type="checkbox"/> Self-Designed Interdisciplinary Concentration (B): See Attachment <input type="checkbox"/> Breadth Distribution List (C): 9 Courses – See Below	<table border="1" style="width: 100%; border-collapse: collapse;"> <thead> <tr> <th style="width: 50%;">Course</th> <th style="width: 50%;">Semester/Grade</th> </tr> </thead> <tbody> <tr> <td colspan="2">Correlate Courses: 5 Courses NOTE: 3 Math/Stat courses (listed by number), 2 major-level laboratory sciences (with advisement). Course	Semester/Grade																																																															
FSP (First Year Seminar): 1 course																																																																
Literary, Visual, Performing Arts: 1 course																																																																
World Views/Ways of Knowing: 1 course																																																																
Behavioral, Social or Cultural Perspectives: 1 course																																																																
Social Change in Historical Perspective: 1 course																																																																
Literary, Visual, Performing Arts OR World Views/Ways of Knowing OR Behavioral, Social or Cultural Perspectives OR Social Change in Historical Perspective: 1 course																																																																
Natural Sciences & Quantitative Reasoning – 3 Courses 1 Natural Science (with lab); 1 Quantitative Reasoning; 1 Natural Science or 1 Quantitative Reasoning																																																																
<i>CSC 220</i>																																																																
<i>MAT 127</i>																																																																
Course	Semester/Grade																																																															
CS Major Core: 10 Courses NOTE: Grade of C or better in each of CSC 220, 230, 270 to progress. 1 course must fulfill the capstone practicum requirement (CSC 399 or CSC 498, with advisement).																																																																
<i>CSC 220*</i>																																																																
<i>CSC 230*</i>																																																																
CSC 270																																																																
CSC 325																																																																
CSC 335																																																																
CSC 345																																																																
CSC 315 or 360																																																																
CSC 415																																																																
CSC 435 or 445																																																																
CSC 399 or 498																																																																
CS Major Options: 3 Courses (with advisement)																																																																
<input type="checkbox"/> CSC 099 Orientation to CS (0 unit)																																																																
<input type="checkbox"/> CSC 199 Prof. Dev. Sem. (0.25 unit)																																																																
<input type="checkbox"/> CSC 299 Junior Seminar (0.25 unit)																																																																
Course	Semester/Grade																																																															
Other Major Requirements:																																																																
<input type="checkbox"/> CSC 099 Orientation to CS (0 unit)																																																																
<input type="checkbox"/> CSC 199 Prof. Dev. Sem. (0.25 unit)																																																																
<input type="checkbox"/> CSC 299 Junior Seminar (0.25 unit)																																																																
Waivers & Substitutions: * If CSC 250 is approved to substitute for CSC 220 and 230, one additional CS Option course is required. <input type="checkbox"/> C++ Placement Test passed Additional CS Option Course (with advisement): Course: _____ Semester/Grade: _____	Minimum Graduation Requirements: 1) Completion of CS program requirements, 2) 2.0 in-major GPA, 3) 2.0 overall GPA, 4) C or better in MAT 127, and 5) C or better in CSC 220, 230, 270 and 335.
