

TCNJ Computer Science (CS) BS Degree 32.5 Course Units (130 Credits) Effective Fall 2022

Name:		Circle One: First Year / Transfer / Re-Entry / Re-Admit	
TCNJ ID:	TCNJ Entry:	CS Major Entry:	
2nd Major:	1st Minor:	2nd Minor:	
Earned Units:	GPA:	Major GPA:	

Liberal Learning Breadth Requirements NOTE: Courses in italics are also listed as major or correlate courses.	Major Program Requirements NOTE: Courses in italics are also listed as liberal learning courses. 13 Computer Science, 3 Math/Stat and 2 science courses.	Civic Responsibilities, Proficiencies and Electives

Course	Semester/Grade																																																									
FYS (First Year Seminar): 1 course																																																										
Literary, Visual, Performing Arts: 1 course																																																										
World Views/Ways of Knowing: 1 course																																																										
Behavioral, Social or Cultural Perspectives: 1 course																																																										
Social Change in Historical Perspective: 1 course																																																										
Literary, Visual, Performing Arts <u>OR</u> World Views/Ways of Knowing <u>OR</u> Behavioral, Social or Cultural Perspectives <u>OR</u> Social Change in Historical Perspective: 1 course																																																										
Natural Sciences & Quantitative Reasoning: 3 Courses - 1 Natural Science (with lab); 1 Quantitative Reasoning; 1 Natural Science <u>or</u> 1 Quantitative Reasoning																																																										
<i>CSC 220</i>																																																										
<i>MAT 127</i>																																																										
CS Major Core: 10 Courses - Grade of C or better in each of CSC 220, 230, 270 to progress. 1 course must fulfill the capstone practicum requirement (CSC 399 or CSC 498, with advisement).																																																										
<i>CSC 220*</i>																																																										
<i>CSC 230*</i>																																																										
CSC 270																																																										
CSC 325																																																										
CSC 335																																																										
CSC 345																																																										
CSC 315 or 360																																																										
CSC 415																																																										
CSC 435 or 445																																																										
CSC 399 or 498																																																										
CS Major Options: 3 Courses (with advisement)																																																										
Waivers & Substitutions: * If CSC 250 is approved to substitute for CSC 220 and 230, one additional CS Option course is required. <input type="checkbox"/> C++ Placement Test passed Additional CS Option Course (with advisement) Course: Semester/Grade:																																																										
Minimum Graduation Requirements: 1) Completion of CS program requirements, 2) 2.0 in-major GPA, 3) 2.0 overall GPA, 4) C or better in MAT 127, and 5) C or better in CSC 220, 230, 270 and 335.
